Weeks of... December 16th – December 20th

Important News

Weekly Planner

Thursday will be Polar Express Day. The students and I will participate in Polar Express themed math and language arts activities and, as a special treat, watch the Polar Express movie with hot chocolate. Students are to **wear their pajama's** this day, just the characters in the book/movie wear. **Please make sure the pajama's are school appropriate and warm enough to wear outside for recess.** Students can bring a favorite stuffed animal and slippers if they wish. But again, **please have your child wear sneakers to school so that they can participate in Phys. Ed. and recess.** Thank you!

Don't forget to continue to collect box tops!

Have a VERY MERRY Christmas & Happy New Year!!!

What are we learning?

Reading Street

We will use this week to review reading and spelling skills we have learned throughout the year. We will take the opportunity to apply the skills that we have learned to several trade books and writing activities.

Unit

We have a suitcases packed and our passports prepared! We will continue to travel the world learning about different cultures and winter traditions.

Writing

During the month of December we will be reviewing narrative stories and learning about informational and opinion writing.

Everyday Math

This week we will be learning about...

Monday: 4.12

Tuesday: Review Unit 4

Wednesday: Unit 4 Assessment

Thursday: Polar Express themed math review activities
